NC METRO MAYORS COALITION STATEMENT REGARDING CHARLOTTE MAYOR VI LYLES

The following statement is offered by the Chair of the North Carolina Metro Mayors Coalition, Mayor of the City of Wilmington, Bill Saffo:

On behalf of the 33 mayors of the NC Metro Mayors Coalition, we thank Mayor Vi Lyles for her decade of leadership at the helm of the City of Charlotte. At every turn, Vi has represented her city and our state with grace, innovation, and humility. We will miss her voice and leadership in our organization, but wish her well in her retirement, knowing that North Carolina is a better place because of her service.
